## CAMPUS BIKE PARKING

Bicyclists are welcome to travel through the World Trade Center. Due to security concerns, bicycle parking is permitted in approved locations. Refer to the map overleaf for campus bike parking locations.

- Do not chain your bike to sign posts or railings on campus.
- Bikes parked in unauthorized areas will be removed at the owner's expense.
- To report a bike left on campus missing or stolen, please call PAPD at (212) 435-7400.

## OCULUS BIKE TRANSIT

If traveling through the Oculus with a bike, remember these rules.

- Walk or carry your bike through the Oculus.
- Transport your bike between Oculus levels via stairs or elevators.
- Do not ride or carry your bike, scooters, or other personal transport devices on escalators.

## PROPERTIES & CONNECTIONS

The World Trade Center is home to a number of properties and transit stations with their own bike rules.

- World Trade Center employees and tenants should check with their building management for bike storage arrangements.
- Customers with bikes traveling through adjacent properties or via transit should follow the rules and regulations of the respective property or transit operator.
